

The screenshot shows a web application interface for a login page. At the top, there is a header area with a title 'Login Info' and a subtitle 'User ID:'. Below the header, there are two input fields: one for 'User ID:' and one for 'Password:'. The 'Password:' field is followed by a large redacted area. At the bottom of the form, there are two buttons: 'Login' and 'Reset'.

The screenshot shows the HSK Listening Test interface with several Chinese annotations:

- 播放语音** (Play audio) and **顺序播放语音, 仅能点击一次** (Sequential audio playback, can only be clicked once): Annotations pointing to the 'Begin' button and the list of question numbers (1-10).
